

Long I and Short I Words

Upon completion, add these stickers to your path on the map!

Follow the path with **long i** words to help Tinker Bell reach the moon.

A maze with a purple border and a light purple interior. The path is defined by a thick purple line. The words are placed in various sections of the maze:

- Top row: ice, bike
- Second row: wit
- Third row: grin, zip
- Fourth row: flip, idea
- Fifth row: dip, quick
- Sixth row: think, smile
- Seventh row: little
- Eighth row: high, ride
- Ninth row: vine, ivy

The path starts at Tinker Bell and ends at a yellow crescent moon with stars on a dark blue background.
